

Application for referral

Please complete this form if you would like the Service Complaints Ombudsman (the Ombudsman) to refer your intention to make a Service complaint. A referral from the Ombudsman is not a Service complaint. It will only become a Service complaint if you decide to submit a formal complaint in writing to your chain of command.

A referral will automatically be made where:

- You provide your personal details (we can't refer anonymous complaints)
- You provide the subject of the matter complained about
- You provide consent for the referral to be made

If the Ombudsman decides she cannot make a referral you will be provided with a decision letter that clearly outlines the reasons for this. If there is another way you can raise your complaint you will also be given this information.

Because a Service complaint is an internal workplace grievance it must be handled by the Service in the first instance. The Ombudsman does not have the power to investigate any aspect of your complaint at this stage.

Please complete all sections of this form. You do not need to send any documents in with this application but if you have completed an Annex F we are happy to receive this and will forward it to the Service if a referral is made.

Our Enquiries & Referrals Team is available to help if you need any further information or assistance to complete this form. Please phone **020 7877 3450** or email contact@scoaf.org.uk

Section 2 – What do you want the Ombudsman to refer?

You need to provide some *brief* information about how you were wronged so the Ombudsman knows whether it can be referred. The Ombudsman will make no judgement on the merits of what you want to complain about.

a) Summary of what happened and when. Please include all relevant dates or timeframes. Remember you normally only have 3 months from the date you were wronged, or became aware of the wrong, to make a Service complaint. Contacting the Ombudsman does not “stop the clock” on this time limit. If you are close to the time limit we recommend that you make your complaint direct to your chain of command. If you don’t feel you can do that you can still ask the Ombudsman to refer your intention to make a complaint but it is up to the Service to determine whether they will accept a complaint outside the time limit.
