Quarterly Statistical Report

This report presents key findings from the casework of the Service Complaints Ombudsman for the Armed Forces. It supplements data released in the [Annual Report](#)

Figures presented are **provisional** and are subject to later revision. They are produced in the spirit of the [Code of Practice for Official Statistics](#)

SCOAF Investigations

The Ombudsman's powers of investigation are limited to:

- Review of **admissibility decisions**
- **Undue delay** in the handling of a Service complaint or Service matter
- **Substance** (merits) of a Service Complaint that has been finally determined
- **Maladministration** of a Service Complaint that has been finally determined

Please note: Complainants can submit multiple applications in the same quarter (e.g. maladministration and substance) and therefore be counted in multiple application categories.

Number of Service Complaints beyond 24 week target (i.e. red flag cases)

Tri Service 'red flag' cases

From January 2013, the Services were tasked by the Ministry of Defence (MOD) to resolve 90% of Service complaints within a 24-week timeline. 'Red flag' cases are those which have exceeded this target. It is a Key Performance Indicator as set out by MOD.
